Popocatepetl Percussion Duo

Since 2013 percussionists Gabriele Petracco and Marko Jugovic have shared an ambitious project aimed at transforming the global percussion scene. Besides the usual duo repertoire, they perform their own compositions and arrangements for two marimbas and for multi-percussion and animation.

Marko's creativity and his skills in music composition combine with Gabriele's orchestral experience to create a mix of great artistic relevance.

They regularly perform in Italy and the Netherlands including at the Conservatorium Tartini in Trieste, the Assicurazioni Generali of Trieste, the Mozart Association Italy, the Open Podium Rotterdam, the "Made in Rotterdam" concert season of the Doelen Philharmonic Hall in Rotterdam and the "Trieste Estate 2017" concert season. They were recently invited at Conservatory "G.Rossini" in Pesaro (IT) to give a Masterclass on ensemble, solo and orchestral repertoire.

The Casa della Musica and its Recording Studio

The "Casa della Musica" is a music service centre located in the heart of Trieste, Italy. Its multiple activities are managed by the Soc. Cooperativa Cinquantacinque and entails the organisation of music courses, studio productions, concerts and events. It is a meeting point for young people, schools, associations, companies and whoever else is interested in arts, culture, didactics and communication.

The "Urban Recording Studio" measures 200 sq. m on the second floor of the music production centre "Casa della Musica". It consists of three isolation booths, a 100 sq. m live area and an ample control room (40 sq m.). The acoustic planning has been carefully studied and realized by professionals of this particular field, using the different features of the rooms, in order to obtain a sound well-adapted to the various musical and production requirements.

Important artists who have recorded here, among others, are Ennio Morricone, Markus Stockhausen, Bill Molenhof, Coolio, Snoop Dogg, Airto Moreira, Lenny White, Herb Geller and Omar Hakim.
